

Entry No.

Modellers' Showcase General Entry Form 903

Instructions:

1. This General Entry Form 903 must be filled out completely for each entry.
2. Fully describe the entry in the space provided.
3. All convention registrants are eligible to enter a model.
4. There is no limit to the number of models a convention registrant may enter.
5. Retain your Claim Check. It must be presented to the Showcase Committee to pick up your model.
6. Models may not be removed from the Showcase without permission from the Showcase Committee.
7. The Showcase Committee reserves the right to display entries as they see fit.
8. Be sure to place a value on your entry for insurance purposes.
9. After filling out the General Entry Form, return it to the Showcase Committee and receive an Entry Number for the model and a Model Identification Tag. Place the Model Identification Tag on your model and place the General Entry Form on the table as directed by the Showcase Committee.

Description Of Entry:

Check to receive Achievement Program evaluation. Include appropriate documentation.
